

# MOTIVE

## MONITORING TRENDS IN VIETNAMESE GRADUATES' EMPLOYMENT

### Motive project milestones

#### VIETNAMESE NATIONAL CENTRE FOR TRACKING OF GRADUATES

The first Centre in Vietnam to carry out surveys for graduates and scientific research in Higher Education and Labour Markets with the Support of the Vietnamese Ministry of Education and Training

#### DATABASE OF GRADUATES

Comprising of data for more than 10,000 students and graduates from nine universities (open to new Vietnamese Universities)

#### TRACKING SURVEY OF GRADUATES

A picture of the employment status of Vietnamese Graduates from the nine Universities including quality assurance recommendations for a better inclusion for graduates in the local labour market

#### WORKSHOP SERIES

A cycle of four international workshops and conferences in line with the regional priority of "Developing the Higher Education sector within society at large"

#### SCIENTIFIC PUBLICATIONS

A series of Working Papers and scientific publications hosted by the Centre for Tracking of Graduates on the main topics of higher education and labour markets in Vietnam
