# Outline

- Operating principle/Mechanism?
  - Where data center located?
  - How to manage/organise?
  - Code of conduct?
  - Domain name: motive.edu.vn?? graduatetracking.edu.vn?? ... so on
- Plan:
  - Structural Portal;
  - Builds portal: who & what;
  - Data management: Each Universities have own data zone → can be SHARED
- Some discustionss:
  - Improve our portal: eassy to access and use

# Operating principle

- Location & Domain name
  - Now:
    - Location: HANU data center
    - Domain: <https://motive.edu.vn> and <http://news.motive.edu.vn/>
  - When done:
    - domain name and operation cost
    - Relevant responsibilities → What is the mission of the relevant universities?
    - How to operate the portal

# Operating principle

- Draft code of conduct:
  - **Propose: MOET** (public policies) and **PTIT** (has many own datacenter)

# The portal template

- PC version → it's not harmony and colorful → should be repaired and fixed
  - Need to be built for mobile version: easy and modern to use/access
- Who is responsible for this design?
- **Main role: AJC → give us the template for news**

# Discussions – search the CV

- Enterprise → search CV
  - duplicated operation
  - Makes it easy to search (Remove unnecessary information/fields)
  - remain only some necessary as text to search, Language Skills, University,..
  - ALMA help us to repair/customize/reconfigure

## Search

Research parameters only for Staff

# Discussions – Enter the content of CV

- Students input their CV → should notice:
  - Email: permanent or lasting email
  - The same for phone
  - Address,...
- Companies can be easy to contact later

Citizenship*	Select a Country <input type="button" value="v"/>

# Discussions – Validation

- Universities should valid the student's CV → certificated CV can be searched by companies (about 28.000 need to be cetified)

A screenshot of a web browser displaying a web application interface. The browser's address bar shows the URL "motive.edu.vn/staff/home/ImportADMDData/manual/Default.aspx?lang=en". The page has a red navigation bar with links for "Students", "Enterprises", "About Voyage", and "Staff Area". The main content area is titled "Manual data coupling" and contains a form with fields for "Name", "Surname", "Date of birth", and "University". A checkbox labeled "show only degree to certify" is checked. Below the form are "Search" and "Reset" buttons. The page indicates "Students found: 1000 (Showing top 1000 results on 28131)". At the bottom, a student profile for "A Tổng Quân (M)" is shown with details: Username: Toilaquan1998@gmail.com, Date of birth: 05/10/1998, Place of birth: Viet nam - Kon Tum, and National ID: 233253554. An "Edit student info" link is visible next to the profile. The Windows taskbar is visible at the bottom of the screen.

# FAQ

**Thank you for your valuable discussion and attention!**
